And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

MUNICIPAL BY-LAWS.

THE CORPORATION OF THE VILLAGE
OF CASTLEGAR.

BY-LAW No. 25.

A By-law to authorize the Commissioners to accept a certain Parcel of Land to be used as a Highway and to dispose of a certain Part of a Highway in exchange therefor.

WHEREAS by virtue of clause (39) of section 20 of the Schedule to the "Village Municipalities Act," the Commissioners may pass a by-law for the purpose of exchanging a certain part of a highway for a certain part of real property:

And whereas the certain part of the highway aforesaid is known and described as the westerly eight feet of a part of First Avenue East commencing at the south-east corner of Lot 4, Plan 1955, Lot 4598, Kootenay District, which is at the intersection of First Avenue East and Twenty-fifth Street East in the Village of Castlegar; thence in a northerly direction along the easterly boundary of the said Lot 4 to its northerly boundary; thence in an easterly direction for a distance of eight feet perpendicular to the said easterly boundary; thence in a southerly direction to the point of intersection with Twenty-fifth Street East; thence in a westerly direction along the boundary-line of Twenty-fifth Street East to the point of commencement:

And whereas the certain parcel of land aforesaid is known and described as the easterly twenty-five feet of that part of Parcel C (assigned), Plan 1520, Lot 4598, Kootenay District, and registered under Certificate of Indefeasible Title No. 551971 on file in the Nelson Land Registry Office:

And whereas it is deemed expedient and necessary to widen that part of the highway known as First Avenue East on the westerly side of the centre line of the said highway between Twenty-third Street East and the southerly boundary of the said part of Parcel C (assigned), Plan 1520, Lot 4598:

And whereas due to existing buildings on the real property abutting on the westerly side of the said First Avenue East it had been agreed, prior to the incorporation of the Village of Castlegar, between the owners of the real property affected of the first part and the Department of Public Works of the second part, to widen the said highway on the westerly side of the centre line for a distance of twenty-five (25) feet only instead of the standard width of thirty-three (33) feet between Twenty-third Street East and the southerly boundary of the said part of Parcel C (assigned), Plan 1520, Lot 4598, Kootenay District:

And whereas the real property adjoining the southerly boundary of the said part of Parcel C on the westerly side of the said First Avenue East and known and described as Lot 4, Plan 1955, Lot 4598, Kootenay District, had made a road allowance on the said plan of thirty-three (33) feet on the westerly side of the centre line of the said First Avenue East, such road allowance of thirty-three (33) feet will be in excess of the road allowance of twenty-five (25) feet as agreed upon by the owners of the real property abutting on to it and the Department of Public Works:

And whereas the distance of eight (8) feet is the amount that the road allowance of thirty-three (33) feet at the said Lot 4 is in excess of the road allowance of the agreed width of twenty-five (25) feet and is the certain part of highway to be returned by this by-law to be merged into and form part of the said Lot 4:

And whereas it is deemed expedient and desirable that the said eight (8) feet of highway shall be exchanged for the said easterly twenty-five (25) feet of real property, thereby straightening the westerly boundary of First Avenue East between the intersection of Twenty-fifth Street East and the northerly boundary of the said parcel of land described in the said Certificate of Title 551971:

Now, therefore, the Board of Commissioners of The Corporation of the Village of Castlegar in open meeting assembled enacts as follows:—

1. The Commissioners are hereby authorized and empowered to dispose of by conveyance from the Corporation of the Village of Castlegar of all and singular that certain part of highway known as First Avenue East and described as follows: Commencing at the south-east corner of Lot 4, Plan 1955, Lot 4598, Kootenay District, which is at the intersection of First Avenue East and Twenty-fifth Street East in the Village of Castlegar; thence in a northerly direction along the easterly boundary of the said Lot 4 to its northerly boundary; thence in an easterly direction for a distance of eight (8) feet perpendicular to the said easterly boundary; thence in a southerly direction parallel to the easterly boundary of Lot 4 to the point of intersection with Twenty-fifth Street East; thence in a westerly direction along the boundary-line of Twenty-fifth Street East to the point of commencement.

2. The Commissioners are hereby authorized and empowered to accept in exchange for the above-described part of the said highway from the registered owner, one Nicholas Oswald of Castlegar, all and singular that certain part of real property known and described as the easterly twenty-five (25) feet of that part of Parcel C (assigned), Plan 1520, Lot 4598, Kootenay District, and registered under Certificate of Indefeasible Title No. 551971 on file in the Nelson Land Registry Office.

3. The said easterly twenty-five (25) feet of the above-described part of Parcel C shall form part of the highway known and described as First Avenue East in the Village of Castlegar, and the said eight (8) feet of highway shall be merged into and form part of Lot 4, Plan 1955, District Lot 4598.

4. The Chairman of the Board of Commissioners and the Clerk of The Corporation of the Village of Castlegar are hereby authorized on behalf of the said Corporation to execute the conveyance of the above part of highway known as First Avenue East to Nicholas Oswald of Castlegar and to accept the conveyance of the above-described easterly twenty-five (25) feet of Lot 4 from the said Nicholas Oswald to The Corporation of the Village of Castlegar and to do all necessary acts and things to complete titles.

MUNICIPAL BY-LAWS.

THE CORPORATION OF THE DISTRICT OF NORTH COWICHAN.

BY-LAW No.

A By-law to provide for draining Part of the Gibbins Road Area within the Territorial Limits of The Corporation of the District of North Cowichan and for borrowing on the Credit of the said Corporation the Sum of \$825 or any Portion thereof for completing Same.

WHEREAS a majority in number and value of the owners, as shown by the last revised assessment roll, of the property hereinafter set forth in the Schedule hereto to be benefited by the drainage have petitioned the Council of The Corporation of the District of North Cowichan, praying that the lands in the Gibbins Road Area more specifically described in the schedule hereto be drained of surface water:

And whereas thereupon the said Council procured an examination to be made by J. B. Green, a duly qualified British Columbia land surveyor, being a person competent for such purpose, of the said locality proposed to be drained and has also procured plans and estimates of the work to be made by the said J. B. Green, and an assessment to be made by him of the land and roads to be benefited by such drainage, stating as nearly as he can the proportion of benefit which in his opinion will be derived in consequence of such drainage by each parcel of land, the said assessment so made being the assessment hereinafter by this by-law enacted to be assessed and levied upon each parcel of land as set out in the Schedule hereto, and the report of the said J. B. Green in respect thereof and of the said drainage being as follows:—

“REPORT ON PROPOSED LOCATION OF DRAINAGE SCHEME IN THE GIBBINS ROAD AREA WITHIN THE MUNICIPALITY OF THE CORPORATION OF THE DISTRICT OF NORTH COWICHAN.

“The proposed drainage scheme will drain all surface water from Upland Road, Highland Avenue, and Banks Road, which flow and remain on low lands located on the north side of Gibbins Road, more particularly described as Lots 1 and 2, Plan 6701, and Lot A, Plan 6119, Quamichan District. The proposed scheme will carry this excess water away from the aforesaid lots in a northerly direction emptying into Holmes Creek.

“Grade.

“There is now a natural sufficient grade of one (1) foot in three hundred and fifty (350) feet which will take care of the aforesaid surface water.

“Work proposed.

“It is proposed to construct an open ditch on a portion of the westerly side of Upland Road to run in a southerly direction, and install tile in the said ditch in front of each property on the said portion of Upland Road for access, together with a culvert under Upland Road to connect with a ditch on the easterly side of said Upland Road. The water will then flow into a small channel along the north side of Gibbins Road in a north-easterly direction to a manhole which will connect with the proposed tile drain on private property. An open ditch with culverts in front of each property for access will be installed along the south side of Gibbins Road above Highland Avenue, which will also run in a north-easterly direction to a culvert under Gibbins Road, and then into a manhole connecting to the proposed tile drain. A ditch will then be excavated approximately four (4) feet in depth and two (2) feet in width on the north side of Gibbins Road so that the water may then flow in a northerly direction over Parcel A of Plan 6119, Lots 1 and 2, Plan 6701, and Lot 1, Plan 6558, and from there into Holmes Creek. Ten (10) inch tile will then be laid in the ditch, and covered with one (1) foot of coarse gravel. The remainder of the whole of the said ditch will be filled with earth by the grader.

“Cost.

“I estimate the cost of this work at \$825, of which \$275 is to be borne as the Municipality's proportion of the said cost, and the remaining proportion of the said cost, namely \$550, to be borne by the owners of lands as set out in the said petition, providing that the drainage is carried out during dry conditions suitable for the operation of any equipment required for the purpose.

“Plans.

“A plan showing the above proposed work accompanies this report.”

And whereas the said Council is of the opinion that the drainage of the locality described is desirable:

Be it therefore enacted by the said Council of The Corporation of the District of North Cowichan pursuant to the provisions of the “Municipal Act”:—

1. That the said report, plans, and estimates be adopted, and the said drain, and the works connected therewith, be made and constructed in accordance therewith.

2. That the Reeve of the said Corporation may borrow on the credit of the said Corporation the sum of \$825 or any portion thereof, such sum so borrowed to be repaid within five (5) years with interest at the rate of four (4) per centum per annum on any amount remaining unpaid.

3. That for the purpose of paying the proportion of the cost charged against the said lands so to be benefited as aforesaid, and to cover interest thereon for five (5) years at the rate of four (4) per centum per annum, the following special rates, over and above all other rates, shall be assessed and levied upon the lands mentioned in the Schedule hereto; and the amount of the said special rates and interest assessed as aforesaid against each individual parcel of the said lands mentioned in the Schedule hereto, shall be divided into five (5) equal parts for each individual parcel of the said lands, and one such part shall be assessed and levied as aforesaid, in each year, for five (5) years after the final passing of this by-law during which the said loan is unpaid.
